

Helpful hint!

When building Direct Mail Templates place a mini postcard, jumbo or letter on your monitor to establish what zoom would be a 1to1 representation of how it will print.

All monitors are different so using this suggestion may assist you in getting the results you wanted.

*NOTE: You can simply cut out a piece of paper. **Minis:** 6x4.25 **Jumbos:** 8.5x5.5 **Letters:** 8.5x11
